## RENEWED PETITION UNDER 37 CFR 1.137(b)

Applicant hereby requests reconsideration of the Decision on Petition mailed September 13, 2007 (copy attached).

Applicant intended to file a petition under 37 CFR 1.137(b), rather than 37 CFR 1.137(f) because the application was abandoned for failure to properly respond to the final Office Action mailed August 2, 2006.

Applicant's reply to the final Office Action is contained in the RCE filed on February 26, 2007.

Applicant states that the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Since this application was filed on or after June 8, 1995, no terminal disclaimer is required.

 Attorney Docket No. B06521-00007

ON PETITION

RECEIVED

SEP 17 2007

DOWNS RACHLIN  
& MARTIN PLLC

This is a decision on the petition, filed February 26, 2007, to revive the instant nonprovisional application for failure to timely notify the U.S. Patent and Trademark (USPTO) of the filing of an application in a foreign country, or under a multinational treaty that requires publication of applications eighteen months after filing. See 37 CFR 1.137(f).

The petition is DISMISSED.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is not a final agency action within the meaning of 5 U.S.C. § 704. No additional petition fee is required.

It appears that petitioner intended to file a petition under 37 CFR 1.137(b), not 37 CFR 1.137(f), given the fact that the application is abandoned for failure to properly respond to the final Office action of August 2, 2006.

Petitioner is requested to clarify what type of petition is intended to be filed. Please keep in mind that the statement of delay in a 137(f) petition is not the same as the required statement of delay in a 137(b) petition. If petitioner desires to file a 137(b) petition, petitioner should specify the RCE filed February 26, 2007 as his reply and request that the \$1,500.00 petition fee paid with the 137(f) petition be applied toward the 137(b) petition.
